

# HENRI MARTIN'S JOBS PLAN

More Starbucks.

## **Rob Michalik has a real jobs plan**—one that will strengthen our middle class and create more good-paying jobs.

Creating an environment for job growth and economic development should be your State Senator's top priority. With Rob Michalik, it has been his singular focus. As your State Senator, he will dedicate himself to getting Connecticut's fiscal house in order and making smart strategic investments, in order to position Connecticut for strong economic growth and job creation.

- **Get our budget under control by holding the line on taxes** and spending so that companies have the confidence to invest in Connecticut
- **Reduce regulatory burdens** on businesses
- **Provide loans and tax incentives for companies to grow** and hire more workers
- **Invest in high-quality education and job training programs** to prepare our workforce for the jobs of today—and the jobs of tomorrow
- **Upgrade our transportation infrastructure**
- **Foster innovation** to make Connecticut a destination for cutting-edge research and development
- **Reform the state's tax code** to make it more pro-growth and less burdensome on middle class families.
- **Combat high unemployment among returning veterans** by providing them with educational and job opportunities that recognize their unique skills and training

When asked at a debate about his vision for keeping young professionals in the state **Henri Martin's only solution was "More Starbucks."** That is the only vision he has offered anywhere about how to create jobs in Connecticut.
